Experience

- | | | |
|-----------|--|-----------|
| 2017-now | Freelance Developer
<i>Fullstack Web and Mobile Developer</i>
Working as a Student-Freelance in Belgium for Web and Mobile projects.
Clients testimonials: <ul style="list-style-type: none"> • "Delivery on time and impeccable. Looking forward to working again together!" - Max H. de Tecsine (SPRL) • "Great job: the code is very clean, no frills. Julien is available, attentive to customer needs and takes into account specificities for development." - David M. • "Julien developed very quickly the website that I wanted, with blogs, a tariff page, a contact page and a profile page. He himself chose images that stick to the titles." - Philippe G. | Derwaan |
| 2017-2019 | Tutor-student
Tutor-student in (french courses): <ul style="list-style-type: none"> • LFSAB1401 - Introduction à l'informatique • LFSAB1509 - Projet 4 (en informatique) Tutor during the "Printemps des Sciences" 2017 and 2018. | UCLouvain |
